Subject: Internship Offer – Python Developer

Dear **SOHAM**,

We are pleased to offer you an **Internship position as a Python Developer** at **Pythonic Labs**. Based on your interest and basic technical understanding, we believe this internship will provide you with valuable hands-on experience and practical exposure in software development.

Internship Details

- **Position:** Python Developer Intern
- **Technologies:** Python, Tkinter (GUI Development), Bottle Framework (Web Development)
- **Internship Type:** Unpaid Internship
- **Duration:** 14 January 2026 to 13 February 2026
- **Mode:** [Online / Offline / Hybrid – as applicable]

Roles & Responsibilities

During the internship, you will be expected to:

- Develop desktop applications using **Python Tkinter**
- Build basic web applications using the **Bottle framework**
- Understand frontend and backend logic
- Debug, test, and improve application performance
- Follow coding standards and project guidelines provided by the mentor

Terms & Conditions

- This internship is **unpaid** and purely for **learning and skill development**.
- You are expected to maintain professionalism, punctuality, and discipline throughout the internship period.
- Confidentiality of company data and project work must be maintained.
- Successful completion of the internship will be based on **attendance, task completion, and performance**.
